23rd September, 1996. NEWSLETTER NO. 14.

On 5/8/96 President Marie circulated a newsletter to reach all known connections of D. & C. McLean, Inc., advising of our plight over shortage of funds, in connection with the publication of our Family History Book, launched at Strathalbyn on 6/8/95.

She appealed for support in the purchase of "Memoirs of Alf McLean" written by me entirely gratis, with no profit to me to offset our shortage of funds in publishing above book. This is priced at \$14,50 plus postage \$1.50 = \$16.00.

In addition support was asked for establishment of an annual updating of further developing D&C history, cost \$5.00 year. We request all McLeans & descendants to be sure I have all alterations, new information, births, deaths, marriages, etc by 1st. Jan, 1997. with the annual updating fee of \$5.00.

If you haven't received Newsletter 13, ask me for a copy, or contact another family member.

Can I explain to you all in most sincerity that we are so hopelessly embarrassed in this situation - will you answer our call? We have no one else to call on except our family to repay our Committee members! We are still drastically short of funds, and need the support of all family coming to our aid.

My "Memoirs" which have entailed a lot of work, are vouched for by our Committee, they first saw a early run of the "manuscript" and gave me the go ahead. It is now printed and ready to be posted to you.

Our problem over funds and our History Book, is that the size and amount of material greatly exceeded expectations, plus an "over run" in publishing costs.
