GENERAL BUSINESS:-

RE-ENACTMENT OF "NAVARINO" LANDING.

Douglas McLean suggested that a re-enactment of the "Navarino Landing" at Glenelg in 1837 be considered for appropriate date in 1987 as a sesqui-centenary celebration of the arrival in South Australia of Donald & Christina McLean, and family.

This suggestion was referred to the next meeting for consideration.

Douglas McLean added that it could be organized into a celebration which would attract much public interest, with a replica ship, participants in period dress, variopus media coverage, and other ideas.

Hon. Secretary indicated that a Newsletter would be issued to as many descendants as possible of Donald & Christina McLEAN, following this meeting, with the object of keeping all enquirers in touch with the activities of the ReUnion Committee.

Dear Lawrie,

Herewith typed copy of Minutes for your perusal and approval. If you wish to make any alteration please do so and return altered copy, there is a spare one for you.

I have to original on hand here.

Have opened bank A/c as per minutes with \$20. This should improve as I get the newsletter scattered around.

Also enclosed is a copy of the Newsletter proposed to be circulated, and a copy if you have any alterations and/or additions to suggest.

My brother, Benjamin Ernest McLean, and his wife Joan, were over here recently from Hopetown, West Aust, where they live in retirement from being farmers. He is 60 years of age, 5½ years younger than me. They will be members, but I overlooked when they were leaving to get \$4 from them, but they are interested and do know of some family descendants in W.A. I will do something about that! More than one of John's children migrated to W.A. but Ben only went there 20 years ago to take up cheap land in Ravensthorpe district and did very well - one of the lucky ones apparently, but he was a successful farmer at Milang prior to going over on portion of my father's farm, brother Jack has the rest and about 12 other farms as well.

Please fill out any vacant addresses on the attached address list and return to me. Spare copy enclosed.

Ian McDonald rang me, mainly to say he was finding some one else to represent Rachael (is that correct spelling for her) and note from your letter it is Nan CARNE! To be completed.

Have not send circular to Ross yet.

Noted re Anne, Jane & Margaret and re early Committee placement and confirmation for all lines of family!

Regards,
