- SOURCE : This biography is an extract from "The History of Donald & Christina McLean and Their Descendants" which was published in 1995 – page 498 & 499.
- COLONIALISTS : Christina and Donald McLean and their ten children migrated from Argyllshire to South Australia in 1837. This was in the earliest years of the colony. The McLeans initially settled near Adelaide where they grew the first wheat crop in SA. Then in about 1840 they pioneered the Strathalbyn area. There are now well over 20,000 descendants spread across Australia and elsewhere.
